

October Newsletter

With our 21st celebration rapidly approaching this coming January, Dental Excel Beerwah is proud to have served the Sunshine Coast community for twenty one years!

New Implant Centre

Dental Excel recently opened the doors of the new Beerwah Implant Centre operating suite. Dr Finbarr O'Sullivan and Dr David Marley work exclusively with MIS Implants and the MIS Implant Centre in Melbourne. We are investing in the latest technology to enable the treatment to be completed in the shortest time compatible with a successful outcome. If you are contemplating implants or implant retained dentures please book a free comprehensive consultation to see if you are suitable for treatment and a no obligation quotation.

Family fun at the Beerwah Street Party

The staff at Dental Excel Beerwah had a great time with locals this month at the Beerwah Street Party. Kids and adults alike enjoyed the buzzer challenge at our stall and everyone went away with a prize. Thanks to everyone who came by, we hope you had as much fun as we did!

YOU DON'T HAVE TO BRUSH YOUR TEETH...

...just the ones you want to keep!

Did you know?

People who drink 3 or more glasses of soft drink each day have 62% more tooth decay, fillings and tooth loss than others. Put down the pop and sports drinks and pick up some nice fresh water instead.

Straight teeth- fast!

New technology in adult and teen orthodontics has been available for some time at Dental Excel, with treatment time measured in weeks not months.

For a FASTBRACES /INMAN ALIGNER free consultation book in with Dr Finbarr or Dr Raj who can assess your suitability.

Dental Excel welcomes Dr Shirly Atia to the team, who has come to our wonderful Queensland from Canada. Shirly can be seen by our patients at all practices.
