## Don't let Covid affect your dental health

Putting off dental treatment can cause small problems to become bigger ones! At Dental Excel, we pride ourselves in our commitment to the highest standards of hygiene and cross infection prevention. Book in for your appointment and rest assured that your health is our number one priority.

## Always learning..

Our dedicated dentists Dr Emma, Dr Shirly and Dr Tiffany recent spent a fun day expanding their knowledge and clinical skills at the UQ Dental School. Well done ladies!

## Facial Aesthetics

*now available*

At Dental Excel we offer

- ✓ *Anti-wrinkle injections*
- ✓ *Dermal fillers*

Ask at reception about making an appointment with Dr Shirly

**HIFU**

**...the latest non-invasive anti-ageing technology to hit Hollywood**

Elaine of *Clinique Matrice* in Brisbane has made this innovative treatment available at the Dental Excel practice for your convenience. She has over 30 years experience in the industry and is a highly trained HIFU specialist.

For all HIFU enquiries call Elaine on 3871 3377

## Did you know?

Sports-related injuries account for approximately 5 million missing teeth per year. Yikes! But don't let that stop you playing. Ask about our mouthguard solutions to help keep your teeth safer during the game.
