A warm welcome to our newest team members

[Dr Haash \(dentist\)](#) is settling in at our Beerwah location and is already well-liked by our patients. We're also excited to welcome Kaylee, Kate, Amanda and Cheryl to our amazing support team. Also, extending a warm welcome to dentists Dr Tim and Dr Norris at our north Brisbane practice at Bracken Ridge.

We hope they will all be happy being part of the Dental Excel family! Come and meet them at your next dental appointment...

No More Putty!

We're excited to announce that our 25th Birthday gifts to ourselves and our patients have been arriving at your local Sunshine Coast Dental Excel practices...

The Medit i700 scanners mean that most routine putty impressions are now fast becoming a thing of the past*. This new innovative technology takes a 3d digital impression of your teeth in just a few minutes.

Here is Dr Shirly (dentist) scanning Tania's teeth during its' first outing at Beerwah... incredible stuff! Come and experience the latest dental technology for yourself at your nearest practice...

*Please note that certain procedures may still require a traditional impression

Are you nervous of the dentist? Research shows that 49% of people do not attend regular dental check ups through fear... you're not alone! We can help... please [visit our website](#) to find out more about what we can do to help allay your fears and help you through to meet your dental goals. Talk to us, we're here for you.

PROUDLY CELEBRATING 25 YEARS

HIGH QUALITY DENTAL CARE FOR A QUARTER CENTURY

25 years ago, the Marley family arrived in Queensland to a warm reception from the locals at the first [Dental Excel location at Beerwah](#), which is today a thriving, busy and popular practice.

With a passion for his work and a dedication to his clients, David promises to treat his dental patients with the same care he'd provide to his family. Now, with four locations across the Sunshine Coast and another in north Brisbane, we're happy to be continuing to deliver kindness and care in relaxed, welcoming practices.

We all thank you warmly for your continued support

The Dentist Spot the Difference

There are six differences in the pictures below, can you find them?

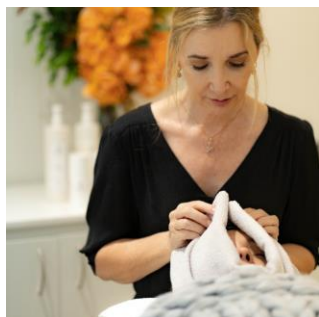

DID YOU KNOW??

People that drink three or more sugary soda drinks per day have, on average, 62% more dental decay than those that drink fewer or no sugary drinks at all.

EXCEL FACIAL AESTHETICS

Clinique Matrice at Dental Excel

Elaine Marley D.R.E. (co-founder and co-director of Dental Excel) offers advanced facial aesthetics treatments at most of our locations:

- Collagen regeneration with lifting HIFU technology
- Microneedling collagen induction
- Wart and skin blemish removal with electrolysis

High quality facial aesthetics treatments conducted in the sterile, professional environments of our comfortable treatment rooms.

Call Elaine at **Clinique Matrice** on **0402 046 637** to book your appointment or [visit the Clinique Matrice website](#) to find out more. Treatments strictly by appointment only.

Facial injectables and dermal fillers

Dr Shirly Atia, your [Beerwah](#) and [Palmwoods](#) dentist, also works closely with her clients to achieve very specific smile goals.

If you've been considering facial injectables and dermal fillers, Shirly offers a professional service right here in our highly sterile treatment rooms as a part of [Excel Facial Aesthetics](#).

Injectables can also help to provide relief from the symptoms of TMD (grinding of the teeth).
