

Spring Newsletter
IT'S ALL ABOUT YOU!

What's in this issue?

It's all about you this spring at Dental Excel!

- Patient Appreciation Day – Wednesday 18th September
- FREE Smile Academy straightening digital scans at Beerwah
- Dental anxiety? Have no fear, we're here for you, let us help
- Getting your smile camera ready this wedding season
- Welcome Dr Natasha, Taylor and Chelsea!
- Dr Shirly's happy news

A DATE FOR YOUR DIARY

We're excitedly preparing for **Patient Appreciation Day** when we'll be celebrating you at all our locations.

On **18th September**, there will be giveaways for **patients attending on the day** and a prize draw!

FREE scans and consultations at Beerwah with Alan, our friendly Smile Academy representative. Book now!

DENTAL ANXIETY? Have no fear, we're here for you every step of the way

Are you nervous of the dentist? Research shows that 49% of people do not attend dental checkups through fear... **you're not alone!**

Talk to us or [visit our website](#) to find out what we can do to help allay your fears and support your goals.

Do you have sensitive teeth and put off routine cleans due to pain? We have great news! With our **new numbing gel**, you can have **pain-free tooth cleaning**. Book your next appointment now with confidence.

BOOK YOUR NEXT APPOINTMENT ONLINE

Please use your smartphone to scan the QR code or [visit the booking platform here](#)

Select your preferred location and time. A fast and convenient way to book your next dental appointment.

A very warm welcome to our newest team members

We're delighted to welcome [Dr Natasha Leslie](#) to the Dental Excel family! She has joined us from the UK and is already settling into the pace of life on the Sunny Coast. Dr Natasha looks forward to meeting you in person and helping you to meet your dental goals.

Book an appointment to see Dr Natasha at our Beerwah, Caloundra or Wurtulla locations. She has also joined our facial aesthetics team, offering medical and cosmetic injectables following a detailed consultation.

Our amazing support team is growing too. A warm welcome to **wonderful new staff members Taylor and Chelsea**, we're so happy you're here!

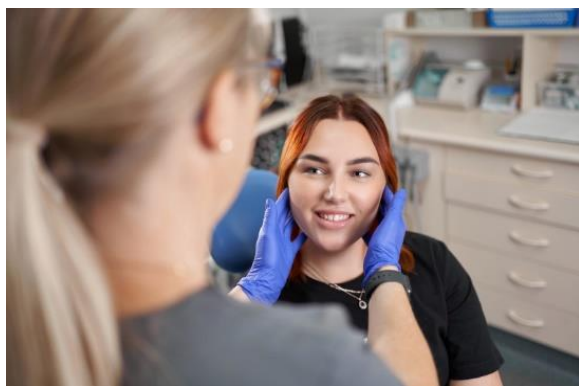

Patient Appreciation Day is our chance to say a **big thank you** to all our loyal patients. There'll be **giveaways for patients attending on the day** and at Beerwah, our friendly Smile Academy consultant, Alan, will be offering **FREE digital scans** and is happy to chat through the advanced straightening system with interested patients.

At the end of the day, from a list of patients that have attended an appointment in the previous 12 months*, we'll be selecting one lucky winner from each of our locations for a prize! **Existing patients that have attended an appointment between 18/09/23-18/09/24*

*Book your slot with Alan on 18th September for a **FREE scan** and Smile Academy consultation - give us a call to find out more.*

Patient Appreciation Day

Wednesday 18th September 2024

Exciting times for Dr Shirly and Shay!

Some of you may already know about Dr Shirly's exciting news! Please join us in wishing her, Shay and their family all the very best as she leaves us to have a baby girl.

Shirly will be returning in February and in the meantime, Natasha, Haashir and the rest of the team will be taking good care of her patients.

We're already looking forward to photos and cuddles! Look out on her social pages for news – Shay manages those, and we hope he'll be sharing!

"We like to say thank you all year round for your referrals! Refer a friend for \$25 off your next Dental Excel treatment"

**Terms apply, new patients only, please [visit the website to find out more](#)*

DID YOU KNOW??

On average, 3 million teeth are lost at sporting events annually - wearing a sports mouth guard can help to minimise the risk... talk to your dentist about **custom mouth guards** for adults and kids.

WEDDING SEASON IS JUST AROUND THE CORNER... IS YOUR SMILE CAMERA READY?

We offer a range of cosmetic dental smile treatments to give you a whiter, brighter, straighter smile for the big day:

- In-chair and at-home teeth whitening
- Smile Academy teeth straightening
- Advanced electrolysis – wart, bloods spots and more complex skin blemish removal
- Facial aesthetics – medical and cosmetic injectables
- Replace missing teeth with dental implants

Through our Friends of Dental Excel program, Elaine Marley D.R.E. offers advanced electrolysis for fast and effective skin blemish removal, HIFU, Mesopen and Fusion microneedling at selected locations. **Call Elaine at Clinique Matrice on 0402 046 637** to book your appointment or **[visit the Clinique Matrice website](#)** to find out more. Treatments by appointment only at selected locations.

Smile Academy Teeth Straightening

Smile Academy offers a fast, effective approach to teeth straightening **without the visible wires of traditional braces.**

Simple and safe for all, we use the latest digital, radiation-free scanning technology to create a series of near-invisible trays that gently realign the teeth over a **matter of weeks** for most patients.

Get a FREE scan and Smile Academy consultation at Beerwah on Patient Appreciation Day (18th Sept). Call your nearest location today to find out more or book your consultation for another day.

Did you know?

Our scanners capture detailed digital images without using radiation, making them safe for all, including during pregnancy.
